📸 Share Your Photos With Us!

Help us capture every moment of our special day.

Scan the QR code to download Spime.

Once in the app, you'll find our Wedding Spime under:
My Zone → Near Me → Now

Take photos and videos through our Spime and they'll instantly appear in our shared wedding gallery.

✨ One shared wedding camera
✨ See everyone's photos live
✨ No photo sharing later
✨ Every memory in one place

Thank you for helping us capture our day! 💖

Only guests at the wedding can post photos and videos.

Use Spime for your own events. It's free!
